**"I need a guy to teach me how to fuck."**

Helena isn't a virgin. She made sure to tell us that when she contacted us. But she's the first to admit that she doesn't have a lot of experience. "I've only had sex once. I've only given one blowjob, too. I had a lot of fun, but I'm ready to explore and figure out more things," she told us.

We asked Helena what position she prefers. She couldn't come up with an answer. "I have only done it in missionary. When I read magazines, they recommend doggie-style because it will help the woman orgasm. I still haven't had one of those yet, but I want one badly. I can't get myself to that point alone. I need a man to help me achieve one!"

"When I gave my first blowjob, I was surprised by how easy it was. At first, the guy told me to stop using my teeth. Once I figured out how to do that, the rest was easy. He was moaning and squirming until he finally came. It was the first moment that I felt like a powerful, sexy woman."

## AMATEUR PUSSY HUNT 2

When we came out with our first Amateur Pussy Hunt movie, we weren't sure you guys would like our interview-then-spread format, but you guys responded like crazy. Now we've got our second roster of amateurs to entertain you. They're not manufactured pornstars, and they're certainly not fake. Take our word for it. We opened up our doors for 24 beautiful, young newbs to come in and share their personal stories with us. They tell us about their wildest hookups, their hobbies, what they're studying in school and what their fantasies are. Then they strip naked and masturbate on-camera for the first time. Get to know each girl before she makes you cum. You won't get these real amateurs anywhere else.

## AFTER SCHOOL SLUT CLUB 5

These fresh teen students may look sweet and innocent in their schoolgirl uniforms, but don't be fooled. They have tight, horny pussies hiding underneath those modest tartan skirts. These six naughty coeds seduce teachers and classmates with their tiny tits, shaved slits and perky asses. Karly's braceface smile is as sweet as her little pussy. Flat Lily gets her bottom spanked until it's bright red and glowing, and then she has her cunny fucked. Nerds Lexy and Melissa show that nerds are freaks, too. Melissa even gets her glasses covered in cum! And Lily and Kylie are dicked delinquents, who have to fuck their way out of trouble.

## BUSH BABIES 3

It seems like you can find porn for any kink you want. Between fetish magazines, websites and your local Craigslist ads, there's practically nobody who goes unsatisfied for very long. The exception being, of course, fans of unshaved clams. Since the '90s, it's become harder and harder to find fur pies. With you bush aficionados in mind, we created Bush Babies 3. These 14 ambassadors of fur are spreading wide and fingering their hairy cunts just for you. Plus, there's a bonus disc of erotic pube shaving scenes.

## HONEY CUNNIES 3

As much as they'd like to, these teen girls can't fuck all the time. But when there's no dick around, they get off by using their fingers and toys. In this three-disc set, 24 girls play with their pussies for six hours of masturbatory fun! They spread their pussy lips to show you how tight and pink their holes are. They can only fit two fingers in their tiny slits, but they put those fingers to work. If you love flat teens cumming on their own, this flick has the most bang for your buck!

## LIL' PISSERS VOLUME 2

These teens have full bladders and throbbing clits aching to cum. Nine girls spread their legs and tinkle for the camera, their champagne-colored piss streams gushing and spraying. With that out of the way, they're free to rub and finger their inexperienced pussies till they cum. Two girls even fuck!

## NAUGHTY NEIGHBORS 6

Welcome to the fuck-fest! We put together the most-packed amateur porno the world has ever seen. There are over eight fucking hours of non-stop dick slurping, pussy pounding and anal stretching goodness. Most of these girls are first-timers who decided that solo play was getting old, so they wanted to play like pornstars for a day. Exclusive content of brand-new girls.

## THE BEST OF FLAT & FUCKED

We've compiled 24 of the hottest scenes from all 10 Flat & Fucked movies. The result is a highlight reel of cute teens who are flatter than a board and want to get nailed like one! Cock-curious cuties are fucking their mom's boyfriend, getting creampie'd, doing anal, screwing the gyno and having three-ways. Some of them are first-timers popping their cherries on-camera, others are dicked delinquents who like older cock. But whether they're nice girls or budding sluts, they all have itty bitty titties and tight holes that get stretched by fat cocks.

# Reader **CONFESSIONS**

Recently dumped, one reader goes online to find an easy lay from a married woman. The catch? Hubby's going to watch.

## Let's Cuck

*Dear Newcummers,*

A little while back, I was dealing with the aftermath of a particularly devastating breakup with my college girlfriend. After several sexless years, I had to reintroduce myself to the dating scene. Rather than hook up with random barflies, I decided to check out swinger sites online. I was amazed by the amount of women in seemingly good marriages who wanted to fool around with anonymous men. I scanned profiles for weeks before finally sending an email introduction to a woman in my town. She had, without a doubt, the

hottest body I'd ever seen. Her proportions were perfect; long legs, gravity-defying double-D tits, a perfect bubble butt and long, red hair (my weakness). She responded quickly, and after a bit of back-and-forth, I found out that her husband enjoys sharing her with other men. She sent me some nude photos to whet my appetite.

I jerked off to those pictures of her spread pussy and bouncing tits for the days leading up to our meeting. She promised me the best lay of my life, and she told me that her husband had taught her to deepthroat and that I could fuck her face. Some of the photos she shared with me were hardcore. One thing I noticed was that even though I had dozens of those pictures of her with a cock buried in her throat, pussy or ass,

the same cock never appeared twice. She was getting around, and her hubby was chronicling her amateur porn adventures. I never got to see her face because she always wore a mask for the photos, but I was dying to watch her gobble down my cock. When the day to meet finally came, I was harder than a diamond blade.

We met at a Starbucks in a recently-gentrified neighborhood across the city from my apartment. Her husband introduced himself as James and his wife as Brittany, although they immediately followed that intro with the disclaimer that they didn't want to know my name. I nodded and smiled. We made small talk as I sipped my coffee. After a few moments, James leaned in and asked

What's a sweet-looking young thing like Mery doing in a porno mag? "Hey, just because I look sweet doesn't mean I don't have a bad-girl side! Sometimes it's hard to get guys to notice me because they don't believe that I'm already 18."

**“I’m not as

"I guess I can't blame guys for covering all of their bases. I know that I look young, but I'm also really horny! I masturbate a few times a day at least, and it doesn't even have to be at home. I've done it on the bus under my skirt and even in the bathroom between classes!"

"The first time I had sex, I snuck into his bedroom at night. It wasn't good the first time, but the next few times I started to like it more. I guess I got more relaxed, and I learned to start playing with my clit at the same time. That made it way better. He also ate me out the second time."

We exchanged a few emails with Shino. Although Google Translate faltered a few times, we feel as though we got the gist of what she was telling us. Her boyfriend is an American Marine stationed in Okinawa. He subscribes to our magazine *Naughty Neighbors*, and she wanted to send in photos to make him happy.

"I love my boyfriend very much," Shino told us. "He and I read your magazine whenever we have time together. He has told me that his dream is to see me pose naked. I had these photos that he took of me, so I sent them to you. He will be so horny when he watches me strip for the world to see!"

"My boyfriend Bret enjoys anal sex. He has to lick my clam and eat my ass before I let him, but then it feels amazing when he penetrates me. The first time hurt, but now it can make me have an intense orgasm!"

XXX  
COMES  
TO  
YOU

**W**hen our friend in the UK told us that he had a lead on a beautiful blonde with a full bush, we were intrigued. When he showed us a few test shots of Vanessa, we told him to put a rush on everything he had. Some of her photos landed in *Naughty Neighbors* Nov. '17, but we're partial to the photos you have here because she's really spreading that hairy cunt in them.

# BUSHBABY

**B**ashful, although she needn't be, Vanessa found the attention that we paid her strange. "Do women not have pubic hair in America?" she asked us. We tried to explain that thick, pussy juice-scented beaver is making a comeback, but she didn't seem to get the concept. "When I'm changing clothes at the gym, all of the ladies around me have hair down there. Maybe it's a European thing? Either way, I'm glad I have a bush. It makes me feel like a real woman."

**W**e pressed Vanessa a little further and she finally admitted that she used to shave. "But that was when my hair first started coming in," she exclaimed. "I'm much happier with my pubic style now. I love how wet it gets during sex. I love the feeling of a man's nose nestled into my fur while he's licking my clit. And I especially enjoy when a guy pulls out and saturates my bush with his cum."

"I'm your typical, boring office worker," Tucker told us. "I work around 60 hours a week, so I don't have time for a boyfriend. I love my job, but I need a little excitement in my life. I want to feel sexy. That's why I'm sending in these photos to you guys. I want to feel adventurous again. I want guys to jerk off to my pictures."

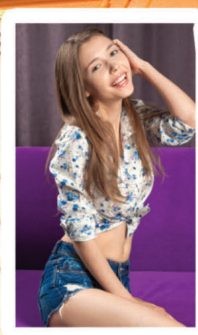

"There are a bunch of things I want to try. I've never had a threesome, been with a black guy, eaten a pussy, had sex in public or had anonymous sex. I'd do all of those things if the opportunity arose. When my work cools off a bit, I'll try to find a boyfriend who can help me do all of that."

"If my dad found out I sent these photos to you guys, he'd kill me! But I've seen the dirty magazines he keeps under his bed. He has no right to judge me for doing this!"

**“I’ll see you on  
the slopes!”**

"My kinkiest encounter happened up in Telluride on a ski trip in high school. There was this guy I kept running into every time I finished a run. We flirted and talked for a bit before we decided to go on a run together. On the chair lift up, we started making out."

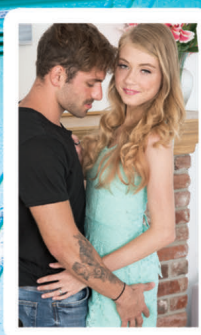

"When we got to the top, we casually skied for about a mile before we ducked behind some trees. I sucked his dick, and he bent me over and fucked me doggie-style without a condom! I took off my jacket so he could bust on my tits. I didn't have anything to clean up with, so I just zipped back up over his cum!"

We contacted Hannah through an amateur modeling site. "My profile says that I will not shoot nude photographs," she told us over the phone. "But I only put that up there to keep the creeps away. You guys seem nice!" At first, Hannah wanted to shoot a solo scene. Then she saw our stud and wanted to go a bit further.

"My favorite position is doggie-style, but if the guy is too big, he can go too deep and it hurts. When that happens, I'll get on top and ride him. When I get a good rhythm going, I can cum like crazy in that position. I have to stop after two or else my legs will be shot!"

"All of my friends are heading off to college," Hannah explained. "I wanted to get out of Atlanta and figure out what to do with my life. I love sex, so this seemed like a great way to leave. I just hope my family doesn't find out I'm doing this. They think I'm on a college tour!"

# My First Time

Fucking  
on-camera  
for the  
first time  
can be  
scary, but  
these  
amateurs  
gave it  
their all!

Imagine how nervous you were when you lost your virginity. Now imagine how scared these young porno-virgins were when they got eye-to-eye with their first big ol' stud dick! These photos mark their inauguration into the world of amateur porn.

Sadie, left, went straight for hardcore anal. How brave! Dillion may be famous now, but back when we shot her, she could barely take a dick!

All-natural GND Chrissy was just 18 when she got her pussy filled on-camera.

Ginger  
babe  
Lindsey  
rode  
reverse  
cowgirl to  
ensure  
that dick  
would fit!

Kylie was determined to give our stud the tightest pussy he'd ever felt. Just 18, we think she did a great job.

Angel wanted her first time  
on-camera to be with a  
black guy. Success!

Jade and Jack were an amateur couple who wanted to shoot together!

Zoey rode her way to an intense orgasm. That's rare for first-timers, but she's special.

Jayden watched intensely as our boy Tarzan took her porno virginity. It looks like she enjoyed it!

Kelsey got over her nerves quickly as our stud hammered her tight cunt.

Cosima gave us one hell of a show as she got the piledriver for her first scene.

Alli was just 19 when she decided to get her cunny professionally stretched.

Check out  
the cream!  
Kate came  
almost as  
much as  
our stud  
did in her  
very first  
porn shoot.

me what I wanted to do to Brittany. "I'd love to fuck your face, as you told me I could," I stammered in her direction. Brittany's eyebrows raised. Whereas an average woman would probably blush at hearing such a thing said by a stranger, she just replied that she'd enjoy tasting my cum. We were speaking in hushed whispers, and I was getting a bit embarrassed about talking dirty in public. Himself undeterred, James told me to keep going. "And I love the look of your ass," I directed towards Brittany. "I've never rimmed a girl before. I want to lick your asshole." Brittany rocked forward on her chair and grinned at her hubby. "And then I want to make you cum with my mouth before fucking you." As I spoke, she grabbed my hand and directed it towards her thigh. I took the hint and casually slid my fingers towards her pussy. She wasn't wearing any panties and the folds of her cunt were already dripping wet. After a few seconds, I withdrew my hand back and sucked her pussy juices off of my fingers. "He's fun," Brittany smiled at James. "Let's go get a room right now."

I handed James some money for a hotel room, and he told me to text them in half an hour. They stood up and left me in the corner of Starbucks with my head spinning and my cock throbbing hard. When the half hour passed, I texted James. He gave me an address and a hotel room number. I jumped in my car and sped off. My heart was pounding through my chest. I took the stairs up to the room two at a time. When they welcomed me inside, I was stupefied by how hot Brittany looked. She had changed into a silky pink negligee. Her firm ass cheeks peeked out from the bottom, and her perfume seduced my nostrils. This woman was a sex goddess; everything about her was purpose-built to make me nut. James was setting up a tripod in the corner of the nice, albeit barebones, hotel room. "Talk as dirty as you can," James told me. "She doesn't get shy or offended."

I took Brittany's hand in mine and pulled her into a hug as I began to kiss her passionately. She giggled and bit my lip. As her tongue swirled in my mouth, I groped at her ass. "I want you to suck

"I decided that I'd push my limits and pose outside," said Kay. "The bloke who took the pics—a friend with benefits—knew of this quiet spot not far from the pub where I work and we did it on a Friday afternoon before I began my shift. Being a typical guy, he wanted to shag when we were done."

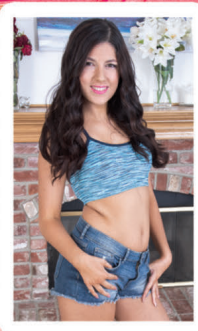

"I was randy from posing, I pushed my limits again, and he did me doggie style against a tree. I must admit that it was the best orgasm I've had in years. But it was hard working behind the bar after that because I kept getting after-shocks from my orgasm for ages and it was hard to concentrate. My slit was still so wet and sensitive; I almost made myself cum again by leaning against the corner of the bar while pretending to restock the top-shelf liquor."

When we ask girls what their favorite position is, do you know what they usually answer? Doggie-style. Miranda is the first girl to tell us that she prefers the piledriver. "It makes me cum," she explained. "One time, I was screwing this guy with a huge cock and he made me cum 13 times in the piledriver position. It was intense!"

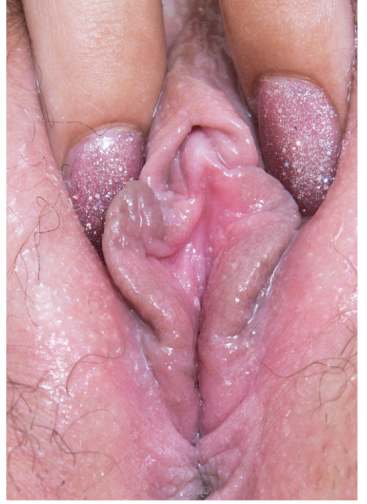

"My biggest sexual fantasy involves getting ravished. I love it when a man tries to dominate me and I completely give in to his control. I want to find a dominant male who knows how to tie me down in bed and make me give him everything he wants. Everything is on the table; he can fuck my throat, my pussy or my ass. I love being dominated."

Louisa told us that she's "always hustling." What does that mean? "That means I've got, like, three jobs and I'm in school full time. I'm also Instagram and Twitter famous. I'm an amateur fashion model, a professional DJ and a club promoter. I don't want a boyfriend right now because he would probably just slow me down!"

"I grew my pubes out just for you guys. I know that a lot of blokes don't like hairy pussy, but I'm starting to enjoy having a bush. I was masturbating the other day, and I pulled out a little mirror so that I could admire how my cunt looked as I made myself cum."

"I'm not going to shag anyone on-camera, I can guarantee you that. That would be too far. The only reason why I had these photos taken was to say thank you to all of my fans. They've been begging for nudes for ages. I figured this was the easiest way to give them something personal. I love and appreciate my amazing followers!"

"I have a friend who fucked a guy for your magazine *Naughty Neighbors*. She told me that I had to give you a call. I had a lot of fun masturbating for you guys, but I wish I had brought along my Hitachi Magic Wand. I love that thing. "I'm not too wild in bed, but I like to have fun. I like getting my butt spanked, having my hair pulled and my bottom lip bit. That's about as rough as I like to get. Still, if I met a man who encouraged me to branch out, I'd be game. Life is too short for lame sex."

the cum out of my cock until I pass out," I told her. She smiled and sighed. "Then what?" she asked. "Then I want you to keep sucking me until I get hard again so I that can fuck you." She pressed her hand against my chest and pushed me down on the bed. I undid my belt, and she pulled my slacks and boxers off quickly. Her husband gave her the mask I saw in the photos, and she went to work on my dick. Massaging my balls, she kissed and sucked on the tip of my knob. Worked up from our coffee-shop meeting, my dick was already primed with precum. She sucked it off and drooled down the shaft, getting my dick nice and slippery. Her bright-red lips slowly wrapped further down my shaft. After a minute, I disappeared into her tight throat as she slightly gagged. Her saliva was thick and lubricating. I pushed her back and stood next to the bed. I slid her negligee down and marveled at her tits. Her husband had a shit-eating grin on his face like he instantly knew how jealous I was that he got to

play with those sweater puppies every day. I caressed her chest, rubbing and kneading her full, round breasts. Then I began to kiss her neck, moving down to her stunning cleavage. I worshipped her for a moment before she took my cock back into her mouth. I rocked my hips forward, sliding my meat further into her gaping mouth. Brittany was now drooling as I took over, pounding her tonsils with reckless abandon. She slurped and gagged, and I felt my balls begin to tighten. One last thrust was all it took for me to unleash torrents of jism into her belly. She coughed as I unloaded, but she didn't bite down onto my Jimmy. She was a talented cocksucker. I felt myself go soft while resting on her semen-coated tongue, so I began to withdraw, but she had other plans. Her hands wrapped around my butt and held me there in her mouth. Her tongue slid past her lips and she began to lick my now drained balls as my flaccid member remained in her lips. She tongued my nuts and slowly began to bob on my cock. Surprisingly, she got me back to half-staff in mere moments, and I was hard enough to fuck in only a minute or two. "She does what you tell

her to do," James chimed in. "And if you remember, that's exactly what you told her to do."

My bell end was sensitive, so my second-round BJ electrified me. Brittany's hands slid off of my buttocks, and one of her fingers moved around to my butthole. She applied pressure to my ass as she sucked my cock. Her head bobbed up and down on my cock while using a twisting motion of her free hand on my saliva-covered cock. Finally, Brittany took me out of her mouth and laid on the bed. I knelt before her cunt and lapped up her juices. Then I turned to her smooth outer labia. "I just got waxed for you," she murmured. I could tell. To say that her pussy was smoother

than glass would be an understatement. I ran my tongue from her swollen and hard clit down to her tight, wet fuckhole and then back up. She squealed with excitement as I sucked and nibbled my way from her pleasure nub to her cockentry. Brittany's hands ran through my hair and slowly pushed my head down past her pussy. I darted my tongue out and took my first taste of her luscious ass. Brittany pulled her legs behind her head, and I dove into her butthole tongue-first. Not knowing what I was doing, I tried to do everything I've ever seen in porn, and she seemed to enjoy it. By now, she was practically screaming. I couldn't take the fact that I wasn't inside of her for one moment longer.

James threw me a condom. As I pushed into Brittany, her eyes grew wide. "Use me," she whispered. I quickly thrust my length inside of her, and

she screamed out in delight. "Fuck! He's stretching me so wide," she exclaimed to her husband. I held myself in her for a moment without moving, getting used to her snug cunny. Slowly, I began to thrust. Normally, I'm a doggie-style man, but Brittany's titties were too big and beautiful to miss. Her tits slapped against one another and began to quake as we fucked. Her nipples were hard, and I found it impossible not to tweak and twist them as her pussy gripped my engorged shaft. My balls were slapping her butt, and my cock was vacuumed into her tight vag when I felt my thighs become wet. Brittany wrapped her legs around me, lifted her ass off of the bed and slammed herself onto my dick. She let out a tremendous roar, and suddenly I was soaked from my hips down to my knees. "Did we mention that Brittany is a squirter?" James cheekily chimed from the sidelines.

My head was in a fog and Brittany was panting, so I took the opportunity to move and to lie down on the bed. I reached down and gripped my now wet and sticky dick. Brittany crawled over to me and began to lick my shaft. "I'll clean up this mess for you," she happily said. "Make sure you get him to cum on your tits, babe," came James' sage directorial instruction.

I would have been happy going three or four more rounds, but I knew it wasn't in the cards. Brittany had drained me once already, and I only had one more shot in me. I laid back and let her suck and bob on my rod as she jerked the shaft with one of her hands. I wanted to please both of them, so I started to get nervous when my ball-tension began to build. I wanted to coat her tits, but her mouth was so inviting and warm. "I'm going to blow," I breathed quietly. Brittany just hummed an approval, and she kept nursing the jizz from my shaft. Even though I was fully-hard already, I began to spurt in her mouth. As I erupted with a blinding, dumbing orgasm, Brittany quickly moved my dick out of her mouth and furiously jerked me onto her massive tits. I still managed to hit her tongue with a little baby batter, and she let out a satisfied, "Yummy."

"She sucked me off on the drive over here. She can never get enough," James casually mentioned as I panted. I could only nod as his wife rubbed my hot cum off of her chest on the bed next to us.
